

Paso Robles Police Department Community Juvenile Diversion Program

Lisa Solomon
Chief of Police

Panel Member Application and Responsibilities

You are one representative of the Paso Robles community who, together with educators, business people, interested and concerned parents, youth workers, and law enforcement personnel are showing their concern for a safe and cooperative society.

The panel hearings take place on a regular basis. The program is set up so that a volunteer representative rotates on and off of the panel. This insures that a person is not committed to attend beyond their available time and that there is a variety of input to the proceedings from all areas of interest within the community.

Participation is first as an observer to become familiar with the operations of the hearing. Then you would serve as a panel member. You can anticipate spending up to 3 hours per meeting date. Each case should take approximately 30 minutes.

Please print or type all information. Answer all questions completely and accurately.
