

## CITY OF EL PASO DE ROBLES *"The Pass of the Oaks"*

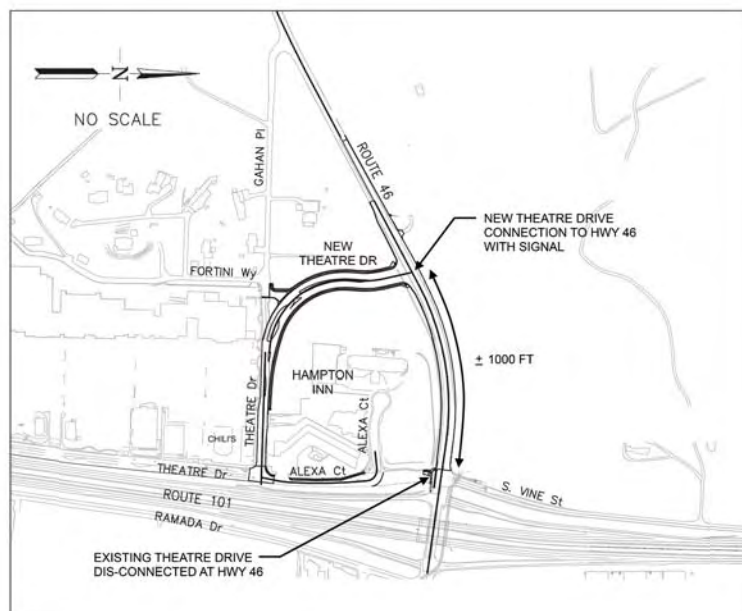

The City of Paso Robles - Public Works is pleased to announce that the Theatre Drive Re-alignment Project is nearing completion!

On August 18th, the existing connection of Theatre Drive to Highway 46 West will close and a new connection will open 1000 feet west off Highway 46. The new connection will have a traffic signal and two dedicated left turn lanes (see below).

Landscaping will be installed in place of the removed asphalt north of Alexa Court.

Construction of the project is funded by a Federal American Recovery and Reinvestment Act (ARRA) Grant through the San Luis Obispo Council of Governments (SLOCOG) in the amount of \$2.8 million.

All work is scheduled for completion by Fall 2011.
