

What Is It?

The Adopt-A-Street Program is a volunteer program gives you, your company, school, or organization recognition while saving taxpayer dollars.

You can adopt a City street and beautify a part of Paso Robles in Partnership with the City.

This is a great way to promote community pride and goodwill within your organization and among family and friends.

**Adopt-a-Street
Program**

How It Works

- Volunteers pick up litter from a designated street section at least once a month for one year.
- The City provides a free recognition sign,
- The City provides the trash bags and disposes of the trash, and loans you safety gear.

Picking Up Litter Helps:

- Keeps our streets and neighborhoods clean;
- Makes the City a more enjoyable and safer place to live by removing litter and debris, which can be hazardous to the environment.
- Improves the quality of our environment;
- Prevents trash from entering our storm drains, creeks and the Salinas River.

How to get started

- Contact the program coordinator for an application package at 227-1654.
- Volunteers complete an application form and return the completed form to the program coordinator.
- If the street is available, a permit will be issued to you or your group.
- Volunteers are expected to clean their adopted street as required by their commitment.
