SUBJECT: CODE AMENDMENT 98004 (DISPLAY OF ADULT MATERIAL IN NEWSRACKS - CITY INITIATED)

DATE: JUNE 15, 1999

Needs: To consider a City-initiated code amendment to establish regulations for the display for adult material in newsracks.

- Facts:
1. The City's regulations for adult businesses are contained within Chapter 21.31 of the Zoning Code.
 2. The City Council is presently considering a proposal from local newspaper publishers and distributors for a voluntary agreement to regulate the placement and maintenance of newsracks, in lieu of an ordinance.
 3. As part of recent efforts to establish regulations for newsracks, it was determined that neither Chapter 21.31, nor any other provision in the Municipal Code, presently contain adequate regulations governing the display of adult material in newsracks.
 4. The City Attorney has advised that regulations governing the display of adult material in newsracks should be placed in both the Streets and Sidewalks Code and the Zoning Code.
 5. The Planning Commission is scheduled to review the attached ordinance at its meeting of June 8, 1999. The recommendation of the Planning Commission will be reported verbally to the Council on June 15, 1999.
 6. The proposed Code Amendment will have no potential for significant effect on the environment and is, therefore, not subject to the California Environmental Quality Act (CEQA). (Section 15061(b)(3) of the Guidelines to Implement CEQA)

Analysis and Conclusion:

There are not presently any newsracks in the City containing adult material. In order to effectively preclude any future problems, an ordinance is needed to address this aspect of use of newsracks.

The attached ordinance is based on similar provisions in newsrack ordinances adopted by several California cities. The language is consistent with Section 313 of the California Penal Code, which defines "harmful material".

It should be noted that the adult material regulations proposed in Section 1 of the attached ordinance are the same as those contained in the draft newsrack ordinance being considered by

the Council as a separate matter. In the event that the Council chooses to adopt a newsrack ordinance in lieu of the voluntary agreement proposed by newspaper publishers and distributors, Section 1 of the attached adult display ordinance will not be necessary. Section 2 of the attached adult display ordinance, which amends the Zoning Code to provide that the adult display regulations adopted for the public right-of-way also pertain to public and private property, will need to be revised to refer to Section 11.35.060 of the newsrack ordinance, rather than to Chapter 11.34 of the adult display ordinance.
