### Background

On August 5, 2003, the City Council appointed Councilmembers Finigan and Picanco to an ad hoc committee to review amendments to the City's newsrack ordinance and possible adoption of a City-standard newsrack enclosure. Although these issues have not yet been resolved, it is recommended that the committee be dissolved, and another committee appointed at a future date if/when appropriate.

### Options

- a. Dissolve the ad hoc committee regarding amendments to the newsrack ordinance.
- b. Amend, modify or reject above option.
