ROLL CALL VOTE

DISCUSSION

9. **Street Tree Easement Abandonment 05-001 – 238 Rosemary Drive (O’Meara)**
R. Lata, Community Development Director

Consider abandoning a surplus portion of a 15-foot street tree easement along the side frontage of a corner lot at 238 Rosemary Drive. (The subject lot is located at the southeast corner of Rosemary and Ginger, within Tract 1170. Abandonment would allow applicant to expand the existing residence to within ten feet of the street-side yard in accordance with all applicable zoning standards and would be consistent with past Council action regarding surplus street tree easements.)

Mayor Mecham opened the public hearing. Speaking from the public was Tim O’Meara (applicant). There were no further comments from the public, either written or oral, and the public discussion was closed.

Councilmember Nemeth, seconded by Councilmember Heggarty, moved to adopt Resolution No. 05-104 approving the abandonment of nine feet of the existing 15-foot street tree easement, which would retain a six-foot street tree easement along the street side lot line.

Motion passed by the following unanimous roll call vote:

AYES: Heggarty, Nemeth, Picanco, Strong, and Mecham
 NOES: None
 ABSTAIN: None
 ABSENT: None

10. **Supplemental Budget Request – Chandler Ranch Area Specific Plan and Environmental Documentation**
R. Lata, Community Development Director

Consider a revised budget for the Chandler Ranch Area Specific Plan (CRASP). (The City has a contract with Rincon to prepare the Chandler Ranch Area Specific Plan and related environmental documentation. As a result of a Caltrans’ request for expanded traffic

analysis, a determination of the major property owner to revise land uses, and the need to address comments on the Draft Specific Plan and Draft EIR, it would be appropriate to prepare and recirculate a new Specific Plan and EIR.)

Mayor Mecham opened the public hearing. Speaking from the public were Daniel Nahabedian (representing majority property owner); Stephen Svete (President, Principal-in-Charge, Rincon Consultants, Inc.); and Steven Meixner (minority property owner). There were no further comments from the public, either written or oral, and the public discussion was closed.

Councilmember Picanco, seconded by Councilmember Nemeth, moved to authorize a contract amendment with Rincon, based on the Scope of Work Exhibit A, including payment for services beyond the original Scope of Work; and adopt Resolution No. 05-105 appropriating an advance of \$236,000 from the City's General Fund Reserves for this purpose .

Motion passed by the following roll call vote:

AYES: Heggarty, Nemeth, Picanco
NOES: Strong and Mecham
ABSTAIN: None
ABSENT: None

11. Selection of Contract Services Team and Allocation of Funding for Olsen-Beechwood Specific Plan and Related Environmental Documentation
R. Lata, Community Development Director

Consider selection of a contract services/consultant team to prepare the Olsen Ranch Beechwood Specific Plan and Environmental Impact Report (EIR), and to appropriate funds for the project (an advance to be repaid at the time of development). (Five firms submitted proposals; three were interviewed by Council's ad hoc committee, County Department of Planning and Building, and City staff. The consensus of the panel is that the team of Moule & Polyzoides, Crawford Multari & Clark Associates, CPS, Morro Group, Althouse and Mead, ERA, Nelson/Nygard, Omni Means, and PSOMAS would be the best qualified.)

Mayor Mecham opened the public hearing. Speaking from the public were Christie Withers, Angela Hollander, and Neil Olsen. There were no further comments from the public, either written or oral, and the public discussion was closed.

Councilmember Strong, seconded by Councilmember Nemeth, moved to:

- (1) Approve selection of Moule & Polyzoides, et al, to work with the City to prepare the Olsen Ranch Beechwood Specific Plan and Environmental Impact Report, authorizing the City Manager and City Clerk to enter into an agreement to have the work done in a manner substantially consistent with the proposal dated February 10, 2005, with a consultant cost budget of \$637,000; and

- (2) Approve Resolution No. 05-106 authorizing an advance of funds that are to be repaid with interest at the time of development. The Director of Administrative Services is authorized to prepare a promissory note to document the advance. The Planning Division is authorized to utilize funds remaining and carried over from the General Plan update project to cover the City's costs of publishing specific plan and environmental documents, mailings, and reimbursement of the City for related expenses.

Motion passed by the following roll call vote:

AYES: Heggarty, Nemeth, Picanco, and Strong
NOES: Mecham
ABSTAIN: None
ABSENT: None

At 9:07 PM the City Council took a 10-minute break, reconvening at 9:17 PM.

12. Ordinance Establishing Additional Standards for Underground Storage Tank Facilities

D. Monn, Interim Public Director

Consider adoption of an ordinance establishing additional standards for underground storage tank facilities. (The proposed ordinance would establish additional local standards for underground storage tank facilities, protect public drinking water supplies and limited groundwater resources, and establish procedures for issuance of permits for the installation and use of these facilities. The recommended ordinance would be consistent with recent amendments of the County Code and would allow consistent administration of underground tank installations by County Environmental Health, both in the City of Paso Robles and the unincorporated areas in the County.)

Mayor Mecham opened the public hearing. There were no comments from the public, either written or oral, and the public discussion was closed.

Councilmember Heggarty, seconded by Councilmember Nemeth, moved to introduce for first reading Ordinance No. XXX N.S. establishing requirements and conditions for underground storage tanks consistent with those adopted by the County of San Luis Obispo and enforced by County Environmental Health Services with revised wording to Subsection K as provided by Deputy City Attorney Seitz; and set June 7, 2005, as the date for adoption of said Ordinance.

Motion passed by the following unanimous roll call vote:

AYES: Heggarty, Nemeth, Picanco, Strong, and Mecham
NOES: None
ABSTAIN: None
ABSENT: None

13. 2005 Cooperation Agreement with County Regarding CDBG, HOME, Emergency Shelter Grant (ESG), American Dream Downpayment Initiative (ADDI), and Housing for Persons with AIDS (HOPWA) Programs

R. Lata, Community Development Director

Consider a Cooperation Agreement to continue to defer entitlement status for Community Development Block Grant (CDBG) funds in order to enable San Luis Obispo County to qualify as an "urban county." This agreement also covers the Federal Home Investment Partnership Act (HOME), ESG, ADDI and HOPWA funds, to which the City is not individually entitled, but to which an urban county is entitled. (The city will continue to receive the same share of Federal CDBG funds—about \$315,000.)

Mayor Mecham opened the public hearing. There were no comments from the public, either written or oral, and the public discussion was closed.

Councilmember Nemeth, seconded by Councilmember Picanco, moved to adopt Resolution No. 05-107 approving a Cooperation Agreement with the County of San Luis Obispo to continue to defer entitlement status for Community Development Block Grant (CDBG) funds in order to enable San Luis Obispo County to qualify as an "urban county."

AYES: Heggarty, Nemeth, Picanco, Strong, and Mecham
NOES: None
ABSTAIN: None
ABSENT: None

14. School Resource Officer

D. Cassidy, Chief of Police

Consider authorizing an agreement with the Paso Robles Unified School District (PRSD) to share the cost of an additional (second) police officer to work on School District property. (The City currently has a contract with the PRSD to provide a police officer to handle calls for service occurring on or in close proximity to school district property. In February 2005, PRSD applied for and received a School Community Policing Partnership [SCPP] program grant, which will provide contract funding for wages only for a second police officer.)

Mayor Mecham opened the public hearing. There were no comments from the public, either written or oral, and the public discussion was closed.

Councilmember Nemeth, seconded by Councilmember Strong, moved to adopt Resolution No. 05-108 authorizing the Mayor to enter into a new contract with the Paso Robles School District to provide an additional police officer at a City cost share of \$41,117 for FY 2005/06; \$43,866 for FY 2006/07; and \$47,056 for FY 2007/08.

NOES: None
ABSTAIN: None
ABSENT: None

15. Professional Service Contract for Classification and Compensation Study

M. Williamson, Assistant to the City Manager

Consider retaining Koff & Associates to prepare a Classification and Compensation Study for the City of Paso Robles. (City's Memorandum of Understanding with the Service Employees International Union [SEIU] calls for a comprehensive Classification and Compensation Study to be completed by December 31, 2005. The purpose of the study is to determine the adequacy of all the non-safety job class specifications. A Request for Proposal was issued to 46 personnel consulting firms, with 11 responding. An oral panel interviewed three firms on May 2nd and was unanimous in their recommendation that Koff & Associates would provide the most appropriate level of professional assistance.)

Mayor Mecham opened the public hearing. Speaking from the public was Dale Gustin. There were no further comments from the public, either written or oral, and the public discussion was closed.

NOES: None
ABSTAIN: None
ABSENT: None

16. Equipment Replacement (Wheel Loader with 4-in-1 Bucket)

D. Monn, Interim Public Works Director

Consider authorizing the purchase of an Articulated Wheel Loader, with the 4-in-1 bucket option. (In December 2004, Council appropriated \$80,000 to replace the Streets Division loader. Bids were solicited. After analysis, two low bid options were deemed responsive: one for the standard bucket loader and one for the 4-in-1 bucket. Council's ad hoc committee reviewed both bids and recommends the purchase of the loader with a 4-in-1 bucket option.)

Mayor Mecham opened the public hearing. There were no comments from the public, either written or oral, and the public discussion was closed.

Councilmember Picanco, seconded by Councilmember Heggarty, moved to adopt Resolution No. 05-110 awarding the Articulated Wheel Loader purchase, with 4-in-1 bucket, to Pioneer Equipment; and approve an additional budget appropriation of \$31,000 from the Equipment Replacement fund to cover the loader cost.
