

TO: James L. App, City Manager
FROM: Ken Johnson, ES Chief 
SUBJECT: **Cardiac Monitor/Defibrillator Purchase**
DATE: August 1, 2006

NEEDS: For the City Council to authorize the Chief of Emergency Services to purchase a Cardiac Monitor/Defibrillator.

- FACTS:**
1. Cardiac monitor/defibrillators are utilized by firefighter/paramedics on emergency medical service calls for service.
 2. In the adopted budget, Council allocated Emergency Services \$25,033 to purchase a replacement monitor/defibrillator.
 3. Emergency Services obtained a quote from Zoll Medical Corporation, the sole source vendor, in the amount of \$24,940.34.

ANALYSIS &

CONCLUSION: Emergency Services' firefighter paramedics routinely utilize cardiac monitor/defibrillators on emergency medical service calls. This unit replaces a monitor/defibrillator that has reached the end of its service life.

A general fund new/expanded service budget request was made, and subsequently approved by Council, for replacement cardiac monitor/defibrillators. One unit was authorized and purchased last fiscal year.

Cardiac monitor/defibrillators are required equipment for our paramedic service. They interface with our existing units and San Luis Ambulance units providing interoperability.
