

TO: James L. App, City Manager
FROM: Doug Monn, Director of Public Works
SUBJECT: Reimbursement Agreement for Sewer Line
Union Road, Thompson
DATE: September 19, 2006

Needs: For the City Council to consider establishing a Reimbursement Agreement for the sewer line constructed in Union Road, from Kleck Road to Walnut Drive.

- Facts:**
1. On November 23, 2005, the City issued Building Permit No. BP 05-0314 for Orval and Jennifer Thompson for their property at 959 Union Road.
 2. In accordance with Municipal Code policy, the Thompsons have constructed a sewer line and appurtenances in order to provide sewer service to their residence.
 3. The sewer line provides sewer availability for the immediate area and thereby benefits other properties. The Thompsons have requested that a reimbursement agreement be established in order for other properties to pay their share of the costs. The sewer line and appurtenances qualify for reimbursement pursuant to Title 14, Section 14.08.070 M1b of the Municipal Code.
 4. The sewer line, appurtenances and their costs are identified in the proposed Agreement as “Exhibit A – Sewer Line Improvements”.
 5. Those properties benefiting from the Sewer Line Improvements have been identified in the proposed Agreement as “Exhibit B - Served Properties”.

**Analysis
and
Conclusion**

The sewer line and appurtenances constructed by Orval and Jennifer Thompson on Union Road benefit surrounding properties by providing access to sewer, thereby allowing these properties the opportunity for development.

The costs for the construction of the sewer line and appurtenances provided by the Thompsons have been reviewed and are recommended for acceptance. The map of the “Sewer Line” (Exhibit “A”) accurately represents properties that will benefit from the construction of the sewer line.

The method of determining the shares of cost of the construction of the sewer line is fair and equitable to all properties as shown on “Exhibit B - Served Properties”.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PASO ROBLES ESTABLISHING
REIMBURSEMENT FEES FOR THE CONSTRUCTION OF A SEWER LINE AND
APPURTENANCES IN UNION ROAD (THOMPSON)

WHEREAS, on November 23, 2005, the City issued Building Permit No. 05-0314 to Orval and Jennifer Thompson for their property at 959 Union Road; and

WHEREAS, in accordance with Municipal Code policy, the Thompsons have constructed a sewer line and appurtenances described in “Exhibit A – Sewer Line” in order to provide sewer service to their residence; and

WHEREAS, the sewer line and appurtenances constructed by Orval and Jennifer Thompson will provide sewer availability to, and will therefore benefit, other properties. Therefore the sewer line and appurtenances qualify for reimbursement pursuant to Title 14, Section 14.08.070 M1b of the Municipal Code which provides that a developer of off-site sewer improvements is entitled to “A pro rata share of the cost of installing all sewer lines and appurtenances beyond the property line of installer where sewer lines are wholly outside the property of applicant and are subject to probable future use by connectors other than applicant.”; and

WHEREAS, Orval and Jennifer Thompson have requested that a reimbursement agreement be established in order for other properties to pay their share of the costs of the sewer line and appurtenances, as such proportionate shares have been determined by the City Engineer;

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS

3. That the reasonable reimbursement charge for connection to the sewer line for a single family residence or one residential unit is \$8,375.
4. That the City will begin collecting these fees as each parcel connects into the sewer line.
5. That in accordance with Title 14, Section 14.08.070 M5b of the Municipal Code, this reimbursement shall expire (10) ten years from the date of the acceptance of the sewer main.
6. That the reimbursement charges approved by this Resolution are a “condition of development” and are therefore exempt from the guidelines and procedures of Proposition 218 (Article XIII D Section 1(b) of the California Constitution).

SECTION 2. That the City Council hereby approves and authorizes the Mayor to execute a Reimbursement Agreement in substantially the form attached hereto and incorporated herein by reference, subject to any minor technical and clarifying changes approved by the City Manager and City Attorney.
