SUBJECT: Budget Appropriation for Reneau Chrysler Dodge Economic Incentive Payment  
DATE: September 19, 2006

---

Needs:

For the City Council to consider a \$32,400 appropriation for an economic incentive payment pursuant to an agreement with Reneau Chrysler Dodge (RCD).

Facts:

1. The Council previously approved an economic incentive agreement with RCD.
2. The agreement provides for an economic incentive payment based upon incremental sales tax growth over the established base year during each of the subsequent five years following the issuance of the certificate of occupancy for their expansion and improvements.
3. RCD's incremental sales tax growth for the annual period ending July 2005 generated an incentive payment of \$32,400.
4. This payment represents the fifth and final payment under the terms of the agreement with RCD.
5. The current operating budget does not contain a budget appropriation for said incentive payment since the amount of the incentive payment was unknown.

Analysis

and

Conclusion:

It is desirable that the Council appropriate funds from the Economic Incentive Fund to cover the economic incentive payment due RCD.

Fiscal

Impact:

Monies to pay the incentive will come from the Economic Incentive Fund. At June 30, 2006, subject to any final year end audit adjustments, had a cash balance of \$407,750. The balance is sufficient to pay said incentive.

Options:

- a. Adopt Resolution No. 06-xxx approving a budget appropriation in the amount of \$32,400 from the Economic Incentive Fund; or
- b. Amend, modify, or reject the above option.
