DISCUSSION

26.1 **Traffic Control Measures on Pacific Avenue**

J. Deakin, Public Works Director

Consider approving temporary stop signs on Pacific Avenue. (Residents on Pacific Avenue have requested that traffic-calming devices be installed along Pacific Avenue to reduce speed of travel. The Streets & Utilities Committee met with residents and staff on June 28, 2002, and are forwarding their recommendations to Council.)

OPTIONS:

a. Adopt Resolution No. 02-xx to:

- (1) Accept recommendation by the Streets and Utilities Committee to install temporary stop signs at two intersections: Pacific Avenue at Merryhill Road and Pacific Avenue at Grove Street
- (2) Direct the Streets and Utilities Committee to evaluate the effects of above mitigation, report back to Council on the long-term need for sign placements, and consider adding another stop sign along Pacific Avenue at Cherry Street.

b. Amend, modify or reject the above option.
