I feel that I would be a good candidate for this position because I love Paso and its history. My family has been here for numerous generations and we have no plans on moving in the future. I want to help conserve Paso and all of its history while keeping it one of the best cities in California. Paso is full of beauty and I have good ideas to make it stay this way.

ADDITIONAL INFORMATION

Please provide any supplemental information to this application, including the specific reason you believe you should be appointed to this advisory body.

I believe that I should be reappointed to this advisory body because I would like to continue to contribute to my community. So far, on the Youth Commission, I have participated in Toy Bank, food drives, Monster Skate, and the Almond Blossom Festival. Last summer, I was a panelist representing the Youth Commission at a League of California Cities conference. Public speaking is not my strong suit, so this was a growth experience for me! I would like to serve on the Youth Commission my senior year so that I can do more for Paso Robles and create events which will allow other youth to be involved in their community.

From my first knowledge of the Paso Robles Youth Commission, I have been excited about the incredible opportunity it presents: the opportunity to apply my experience in school and community service and represent all the youth of Paso Robles. I have served as Freshman Class President at PRHS ('05-'06), a volunteer at Leaves and Fishes ('04-'07), an outreach performer for elementary schools ("Charlotte's Web" '05-'06), a math tutor ('05-'07), a piano teacher ('06-'07), a music leader for church and youth group services ('03-'07), a Salvation Army bell ringer ('05-'07), and a summer volunteer for the Paso Robles Library ('04). I can not wait to use my talents for the increased efficiency and impact of the PR Youth Council!

I would like to be involved in the Youth Commission because I want to serve my community and represent my peers in a positive and active way. My brother, Davy, is finishing serving on the commission for two years and he encouraged me to apply. He felt that it was a valuable experience for him and that I would be an asset to the group. I can be a leader, but I can also follow directions. I enjoy working with others to solve problems. I am creative, responsible and open minded. I can speak in front of others clearly and effectively. I get along well with all types of people and I have a 4.33 GPA. I would greatly appreciate the opportunity to interview for this position.

I would really like to serve on the Youth Commission so that I can have an impact on the community that I live in. It is hard to be a teen today, as many adults judge teens without first knowing them. I think it is difficult for teens here in Paso Robles, as there is little for them to do. So, often many young people choose to “hang around” with little to do and end up causing trouble. This often gives “all” teens a bad reputation. It would take a lot of pride in knowing that I could be a part in solving this problem. And try to bridge the gap between the adult community and the teens. I am a very accepting person. I do not judge others based on outward appearances but rather really get to know a person. I have been in the Dual Immersion program since kindergarten and this has given me the opportunity to accept others for who they are and not what they have. I am fluent in Spanish which will benefit my future. Working in the Leadership class at Flamson Middle School has given me a lot of practice at working with others. I enjoy organizing functions and seeing all the hard work pay off. I enjoy being a leader but I am not a controlling leader. To me a leader is someone willing to listen to other ideas and thoughts and allow them to put them into action. A leader is someone who can delegate while being encouraging and in control without being bossy. My mom has always said, “I’m good, you’re good, but together we’re Great”. This year in High School I plan to continue my good grades, get involved in leadership, and possible take Cuesta courses in the summer so that I will have college credits before high school is complete. My future goals are to go into the film industry. I would love to be on this commission.

I think I should be appointed because I'm an extremely hard worker. I am responsible, intelligent and helpful. I think I can help build a bridge between the youth of Paso and the City Council. I am bright and well spoken, so I will be a respectable representative for the youth commission
