DISCUSSION

1. [Budget Workshop](#)
T. Frutchey, City Manager

For the City Council to conduct a citizen budget workshop to include presentations on the City's fiscal forecast and long-term fiscal stability, the City's current financial status, options for changes in City services, and initiatives currently being considered for recommendation to the Council. The forum provides citizens the opportunity to receive initial materials on the budget (which is currently under development), ask questions, and provide input to the Council. The Council can then provide any desired direction to staff, but is not being asked to make substantive decisions on the budget at this time. The proposed budget is scheduled for presentation to the Council on both June 3 and June 17, at which times the public will have additional opportunities to provide input and recommendations.
