The undersigned believe that Paso Robles DIAL A RIDE is a valued service to the citizens of the city. We are against the discontinuation of DIAL A RIDE. Some work here and all spend money in Paso Robles. There are riders who are not able to drive, those who are physically unable to walk to and from FIXED Route stops, blind individuals, people who need this service to attend Church on Sundays, senior citizens, and riders who live far away from FIXED route stops. DIAL A RIDE takes people to connect with the North County Shuttle. Others use this service as the only way to get to and from work. Employers also rely on DIAL A RIDE to get them there. We urge the Paso Robles City Counsel to keep this important city service operating and find cuts elsewhere.
