I am now and at all the times herein mentioned was, a resident of the City of El Paso de Robles, California, over the age of twenty-one years and the duly appointed, qualified and acting superintendent of streets of said city; that under and pursuant to Resolution of Intention to close the alley in Block 115, passed by the City Council of said City on the 21st day of April, 1930, which Resolution is that referred to in the attached printed notice, I posted conspicuously on the 2nd day of May, 1930, along the line of the contemplated work and improvement therein referred to, to wit: along the whole of the alley running through Block 115 of said City, at not more than 100 feet in distance apart, and not less than three in all, Notice of the passage of said Resolution of Intention, headed "Notice of Public work," a printed copy of which notice so posted is annexed hereto, marked "Exhibit A" and specially referred to and made a part hereof.

I further aver that said posting was made by me personally by conspicuously posting as aforesaid printed notices, a copy of which is hereto attached, as aforesaid, and each of said notices were headed "Notice of Public work" in letters not less than one inch in height; that said notices were so posted by tacking the same to stakes in such position as to be conspicuous and open to public view; that in each instance said notices were securely attached to said stakes.

That I also caused a notice similar in substance to be published in the Paso Robles Press, a weekly newspaper printed and published in said City and heretofore designated by said City Council as the newspaper in which said notice should be published, for a period of four successive insertions, to wit:

Said City, however, reserves the right at any and all times to construct, maintain and operate upon, through or across said alley so closed, sewers, water pipes and gas pipes, and telephone, telegraph and power lines, and to grant to any public service corporation any of such rights.

Approved after passage this 2nd day of June, 1930.
