RESOLUTION OF THE CITY OF EL PASO DE ROBLES REQUESTING THE ATOMIC ENERGY COMMISSION TO GRANT PACIFIC GAS AND ELECTRIC COMPANY A CONSTRUCTION PERMIT FOR A NUCLEAR POWER PLANT IN SAN LUIS OBISPO COUNTY.

ooooo

WHEREAS, a site for a nuclear power plant has been selected near Diablo Canyon within San Luis Obispo County by Pacific Gas and Electric Company, and

WHEREAS, The Diablo Canyon site has been studied and approved by responsible agencies of the State of California, and by all responsible conservation organizations, and

WHEREAS, Pacific Gas and Electric Company has demonstrated engineering skill and responsible action in the development of both conventional and nuclear generating facilities throughout California, and

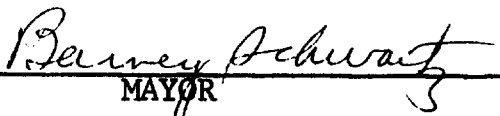

WHEREAS, Pacific Gas and Electric Company has received an Interim Certificate of Public Convenience and Necessity from the California Public Utility Commission, dated November 7, 1967, authorizing the construction, operation and maintenance of a nuclear-fueled power plant at Diablo Canyon, and

WHEREAS, the City of El Paso de Robles firmly believes that the development of California and nuclear generating facilities must proceed together to guarantee the preservation of a favorable economic climate, together with a better environment, and that the granting of a construction permit to Pacific Gas and Electric Company to construct a nuclear power plant at Diablo Canyon will serve this purpose,

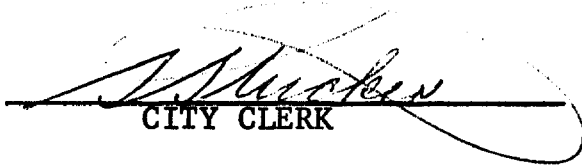

NOW, THEREFORE, BE IT RESOLVED, That the City of El Paso de Robles requests the Atomic Energy Commission to grant Pacific Gas and Electric Company the required permits to construct a nuclear-powered generating facility at Diablo Canyon, and

RESOLVED FURTHER, that the Chairman of the San Luis Obispo County Board of Supervisors is hereby authorized to present this RESOLUTION to the Atomic Energy Commission on our behalf.

PASSED and ADOPTED this 15th day of January, 1968.
