

RESOLUTION NO. 1469

RESOLUTION REGARDING PER DIEM PAY OF BUILDING
TRADES AND CONSTRUCTION UNIONS

WHEREAS, it has recently been brought to the attention of the City Council of this City that per diem charges are being made for all organized labor of all classifications working on public and private contracts within the corporate limits of the City of El Paso de Robles; and

WHEREAS, the southerly boundary line of the City of El Paso de Robles has apparently been delineated as the boundary line in union contracts whereby work performed north of said line would bear the per diem charge; and

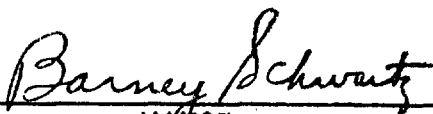

WHEREAS, this City believes that a per diem charge is not necessary and is undesirable for construction performed within the City Limits of the City of El Paso de Robles; and

WHEREAS, any per diem charge will adversely reflect upon and increase the cost of all public works contracts of this City unless such charge is removed;

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of El Paso de Robles that it objects to a per diem charge being levied for work performed under public and private contracts within the City of El Paso de Robles;

RESOLVED FURTHER that certified copies of this Resolution be forwarded to the appropriate agencies concerned.

PASSED and ADOPTED this 21st day of October, 1968.
