

RESOLUTION NO. 1482

RESOLUTION TO THE CALIFORNIA STATE HIGHWAY COMMISSION
REQUESTING IMMEDIATE INSTALLATION OF TRAFFIC INTERCHANGES

WHEREAS, the City of El Paso de Robles and the surrounding areas, like much of coastal California, suffered severe damage to property during the recent floods, including destruction of bridges and damage to highways; and

WHEREAS, the Freeway Underpass on U.S. Highway 101 at 13th Street in Paso Robles was again flooded to a depth of some six feet a condition that effectively blocked all traffic on said freeway in the area for use of the freeway for some days; and

WHEREAS, the bridge on the County Highway across Huer Huero Creek at a point approximately one-half mile north of the intersection of Airport Road and State Highway 46 was destroyed by said flood; and

WHEREAS, the traveling public going to the Paso Robles County Airport from Paso Robles and elsewhere in northern San Luis Obispo County now must make a hazardous left hand turn at the intersection of State Highway 46 and Airport Road at a point approximately one-half mile east of the Huer Huero Bridge on State Route 46; and because of the recent disaster caused by flooding this has focused the need for immediate correction of both of such existing problem areas;

BE AND IT IS HEREBY RESOLVED by the City Council of the City of El Paso de Robles as follows:

1. That the California State Highway Commission be requested to instruct the State Highway Engineers to cause a study to be made immediately of traffic conditions at both of said points;

2. That the design of traffic interchanges be commenced immediately looking to the earliest installation of such traffic interchange facilities.

3. That this City Council request highest priority be given to each of these projects for the continued safety and convenience of the users of the California State Highway system.

PASSED AND ADOPTED THIS 3rd day of February, 1969.

Barney Schwartz
MAYOR

ATTEST:

Shirley
CITY CLERK
