

RESOLUTION NO. 1488

RESOLUTION TO THE CORPS OF ENGINEERS
REQUESTING INSTALLATION OF WATER MAINS

WHEREAS, the municipally owned domestic water system of the City of El Paso de Robles suffered severe damage during the recent flooding of the Salinas River; and

WHEREAS, the Towns of Atascadero and Templeton likewise suffered damages to their domestic water systems; and

WHEREAS, a feasible solution to the problem of supplying an adequate supply of potable water to these communities would be solved by the installation of an adequate size water transmission line, starting at Santa Margarita Dam, downstream to the City of El Paso de Robles; and good cause appearing therefor,

BE AND IT IS HEREBY RESOLVED by the City Council of the City of El Paso de Robles as follows:

1. That the Corps of Engineers construct a water transmission line from the Santa Margarita Dam to the City of El Paso de Robles, of an adequate size to supply the domestic water service areas of Atascadero, Templeton, Paso Robles, and San Miguel;
2. That the highest priority be given to the study, design and installation of such a transmission line of an adequate size to supply this service area.

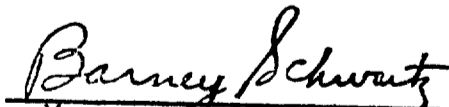

Upon motion made by Councilman Oeck, seconded by Councilman Blake, and on the following roll call vote, to-wit:

AYES: Barnhart, Blake, Neberman, Oeck and Schwartz

NOES: None

ABSENT: None

the foregoing resolution is adopted this 10th day of March, 1969.

Mayor of the City of
El Paso de Robles

ATTEST:
