OF THE CITY OF El Paso de Robles,
CALIFORNIA URGING THE ESTABLISHMENT OF A
SEPARATE CITY LIBRARIANS' DEPARTMENT WITH-
IN THE LEAGUE OF CALIFORNIA CITIES.

WHEREAS the League of California Cities was established in 1898 to foster and facilitate quality municipal government within the State of California; and

WHEREAS said League has immutably evolved into an acclaimed forum for excellence in government representing most professional municipal administrators; and

WHEREAS for more than a century public librarians have proudly and effectively served millions of municipal residents of said state by providing the materials, information and professional guidance necessary for their educational, informational, and spiritual well-being; and

WHEREAS said librarians have regrettably not been officially represented within the League's Divisions or Departments to date; and

WHEREAS such exclusion has resulted in a multitude of irretrievable opportunities for vital and necessary communication between library administrators and their counterparts within the existing League;

NOW THEREFORE BE IT RESOLVED by the City Council of the City of El Paso de Robles, California that the establishment of a separate functional Department of City Librarians within the League of California Cities is deemed to be of significantly enduring value and should be vigorously pursued by the League's current Directors.
