GRANTING PERMISSION TO FILE DEVELOPMENT APPLICATIONS
IN ADVANCE OF PREPARING AIRPORT SPECIFIC PLAN
(BOB GRAHAM / LOUIS NUNNO)

WHEREAS, the City's General Plan calls for preparation of a specific plan prior to development of certain properties (Airport Specific Plan Area); and

WHEREAS, the purpose of waiting for completion of the Airport Specific Plan is to ensure that the development of properties that could be impacted by the Airport (or, conversely, whose development could adversely impact present or future operations of the Airport) are developed in such a manner so as to minimize impacts on or by the Paso Robles Municipal Airport; and

WHEREAS, it is the policy of the City of Paso Robles to withhold discretionary development approvals until completion of the Airport Specific Plan, except that the City Council may consider requests and permit development applications to be filed in advance of the Airport Specific Plan if findings of anticipated consistency can be made; and

WHEREAS, Bob Graham, on behalf of Louis Nunno is requesting authorization to file development plans for an industrial business park with regards to property located at the southwest corner of Airport and Dry Creek Roads and the request to proceed with filing of development related applications was considered by the City Council on March 17, 1998; and

WHEREAS, subject to appropriate conditions of approval, development of the subject property (within the respective airport review zones) could be consistent with the Zoning and General Plan, and such development would not be inconsistent with discussions regarding appropriate land uses for the Airport Specific Plan Area.
