

RESOLUTION NO. 02-95

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PASO ROBLES
APPROPRIATING FUNDS TO EXTEND A CONTRACT POSITION
IN THE BUILDING DIVISION

WHEREAS, the Building Division provides for the processing of all building permits including residential, commercial, and industrial building construction; and

WHEREAS, the Building Division has had a contract position to provide the public with assistance in filing building permits and the funding for said position is scheduled to expire on June 30, 2002; and

WHEREAS, the level of permit activity continues at a pace that cannot be reasonably accommodated without an extension of the funding for this contract position; and

WHEREAS, the expenditure of City funds to cover the cost of an extension of this contract position would impact the Department's operating budget, making it necessary that the City Council approve a budget appropriation for this purpose;

WHEREAS, building permit revenues would off-set the cost of the extension of this contract position.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of El Paso de Robles that a one time appropriation in the amount of \$35,000 from General Fund reserves to budget account 100-710-5224-209 is hereby approved.
