

RESOLUTION NO. 03-93

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PASO ROBLES  
AUTHORIZING THE REMOVAL OF ONE OAK TREE AT 443 10<sup>th</sup> STREET  
(MANNEN)

---

WHEREAS, the City has received an application submitted by Alice Mannen, to remove one (1) Coast Live Oak trees (the trees has a diameter of 48 inches) located at 443 10<sup>th</sup> Street; and

WHEREAS, Arbor Tree Surgery prepared an Arborist Report dated May 9, 2003, stating that:

1. The foliage is sparse for this time of year. The leaves are smaller than normal and there is significant twig dieback;
2. Evidence of bark beetles is prominent in the lower 8-feet of the main stem;
3. The phloem and cambium has completely rotted away around 85 percent of the trunk, which indicates the presence of root rot. The rot is too extensive to have any kind of remedial action performed; and.

WHEREAS, the Arborist Report includes the arborist's recommendation that the 48-inch Coast Live Oak is an immediate hazard and needs to be removed based on the above-listed facts and findings.

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of El Paso de Robles does hereby:

1. Authorize the removal of one (1) Coast Live Oak trees at 443 10<sup>th</sup> Street.
2. The applicant is required to install "like species" at a replacement requirement of 12-inches (48" removed x 0.25 replacement factor). This requirement could be satisfied by planting eight (8) 1.5-inch trees, or other combinations that add up to the 12-inch requirement based on 1.5-inch being the minimum tree size. The Arborist shall be involved with the planning of the trees on site to insure proper install and location of replacement trees. The trees may also be donated to the City for future planting in public area.

PASSED AND ADOPTED by the City Council of the City of El Paso de Robles this 3<sup>rd</sup> day of June 2003 by the following vote:

AYES: Finigan, Heggarty, Nemeth, Picanco and Mecham  
NOES: None  
ABSTAIN: None  
ABSENT: None
