Fire trucks respond to many types of emergencies.

Most house fires can be prevented.

It is important to test your smoke detector.

If your clothes catch on fire, you should...

STOP

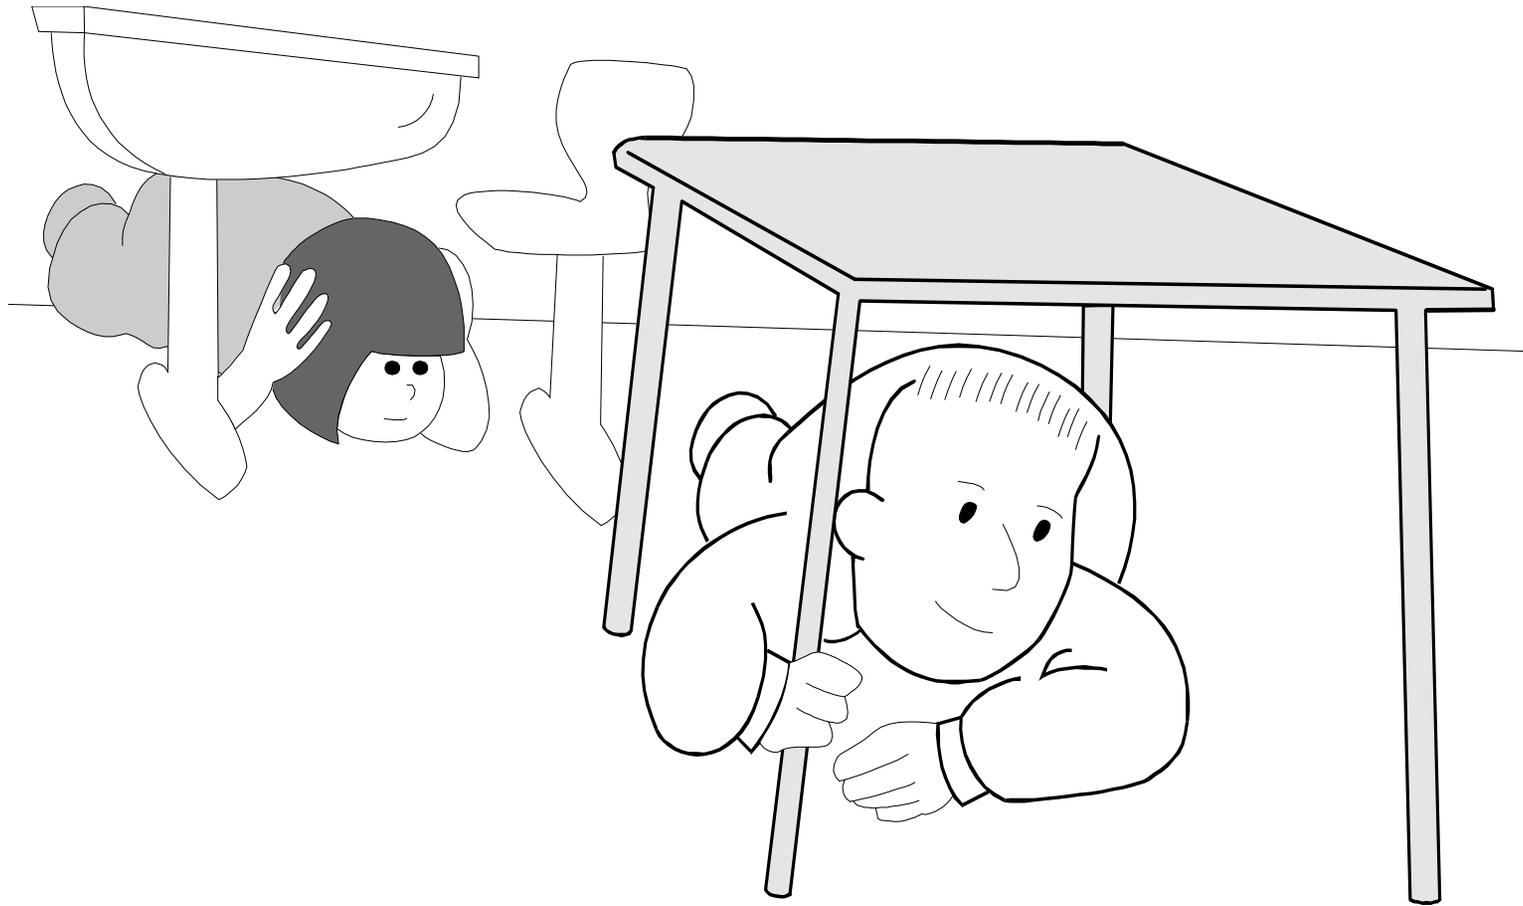

DROP

and ROLL

During an earthquake, you should duck and cover.

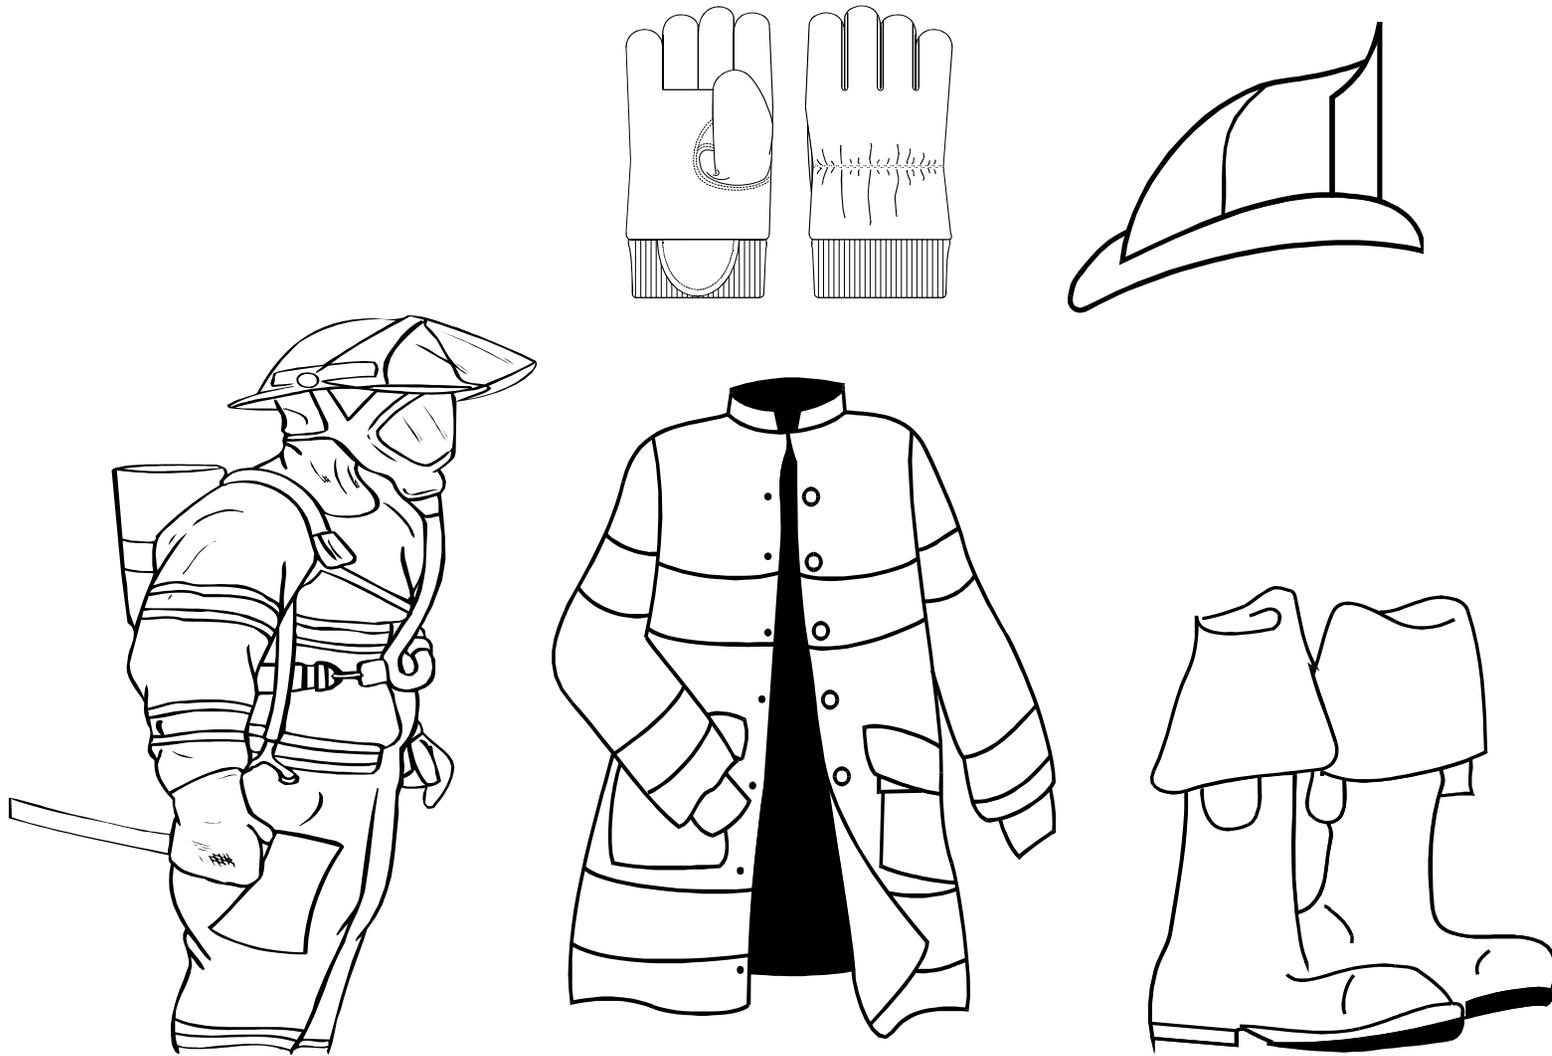

Immediately put cool water on a burn.

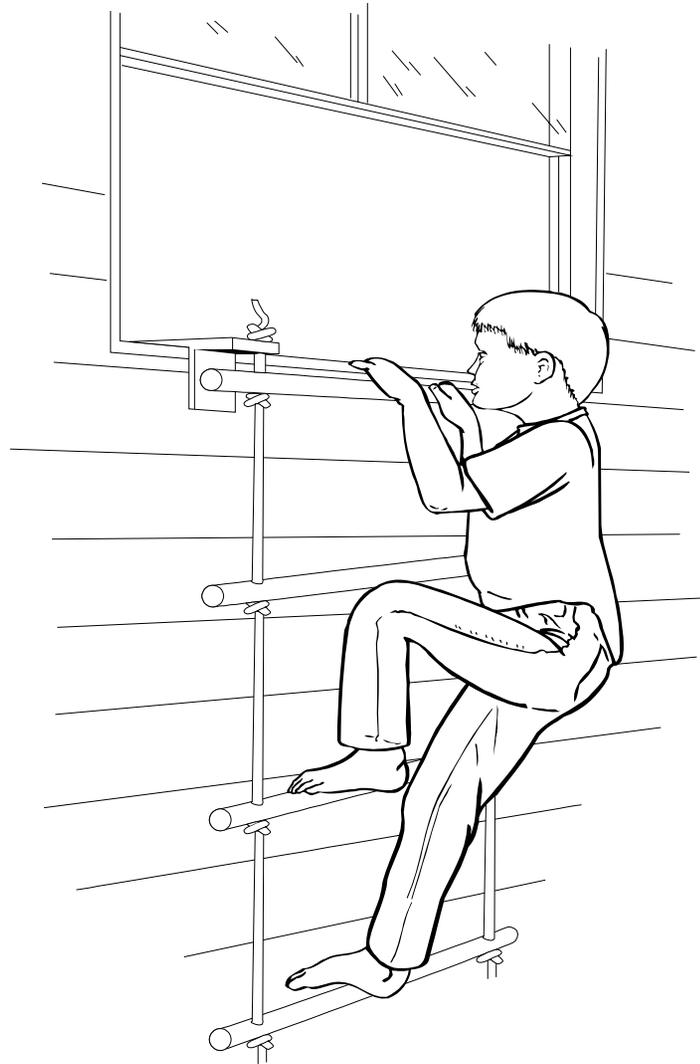

Be careful with camp fires.

Everyone should wear their seat belt.

Firefighters wear protective gear.

Have a family escape plan.

Keep your Christmas tree fresh by watering it daily.
