

WE NEED YOU!

There has never been a more **important** time to **supplement the library's budget** through your membership. The community's **use of library materials is exploding**, and the formats required are multiplying as **technology changes**. Children's programs at the library are **increasingly essential**, in light of reduced opportunities in our schools. To meet the community's needs, funding from **Friends becomes invaluable**. Please join us in supporting one of your community's **greatest resources**.

How does my support make a difference?

Your generous donations, gifts and membership dues enable the Friends to help fund the Black Gold Cooperative Library System, maintain the aquarium, purchase computers and books, and enable library staff to provide programs which benefit our patrons but are not part of the library's budget.

Friends currently gives over **\$25,000 annually** to the Library.

What are the benefits of becoming a Friend of the Library?

- You will **receive our newsletter** with interesting articles that keep you up to date on the Friends activities, contributions and upcoming events.
