

# Art on Display *and* Special Events

## AT THE LIBRARY

### ART ON DISPLAY

For details, see Library Programs in the Adult Section

#### September

Watercolor by Sally Tippman from Atascadero

Sally will be displaying framed and matted watercolor paintings of various subjects, figures, landscapes, and interiors.

#### October

Acrylic/collage by Janice Pluma from Paso Robles

Janice enjoys texture, bold brushstrokes, and unusual materials, along with the challenge of combining unorthodox elements into a cohesive composition. Her paintings pay homage to the lush glazes and unique textures resulting from the union of earth and metal with fire, and to the individuals who brought them to life.

#### November

Members of the Paso Robles Art Association

Media used will include paintings, photography, graphics, and drawings. The purpose of the Paso Robles Art Association is to provide Northern San Luis Obispo County with quality artwork and to raise awareness and appreciation of art in the community. Its mission has a component of youth education in local schools and community outreach programs.

#### December

Watercolor & acrylic by Sharon Sobraske from Atascadero

Sharon's love of nature is apparent in her vibrant paintings of flora. Flowers glow with light and intricate details while still feeling loose and free. In her relatively short career, she has had paintings in numerous juried shows, won awards, and has work in several private collections.
