

RESOLUTION NO: 10-003

A RESOLUTION OF THE PLANNING COMMISSION
OF THE CITY OF EL PASO DE ROBLES
TO APPROVE CONDITIONAL USE PERMIT 10-001
(COLLINS-BAIER)
APN: 009-161-020

WHEREAS, section 21.16.200 of the Municipal Code of the City of El Paso de Robles requires approval of a Conditional Use Permit for automotive repair shops in the C3 zoning district; and

WHEREAS, Clive Collins and Hank Baier, has filed a Conditional Use Permit application to establish a automotive repair uses within the existing building located at 836-842 Paso Robles Street; and

WHEREAS, currently John's Auto Clinic and Mats Smog & Auto Care operate at 824 & 834 Paso Robles Street, within the same complex; and

WHEREAS, a public hearing was conducted by the Planning Commission on February 23, 2010, to consider the facts as presented in the staff report prepared for this project, and to accept public testimony regarding this conditional use permit request; and

WHEREAS, this application is Categorically Exempt from environmental review per Section 15301 Existing Facilities of the State's Guidelines to Implement CEQA; and

WHEREAS, based upon the facts and analysis presented in the staff report, public testimony received and subject to the conditions of approval listed below, the Planning Commission makes the following finding:

1. The Planning Commission finds that the establishment, maintenance or operation of the repair shop will not be detrimental to the health, safety, morals, comfort, convenience and general welfare of the persons residing or working in the vicinity of the proposed use.
2. The Planning Commission finds that the proposed repair shop will not be injurious or detrimental to property and improvements in the area or to the general welfare of the City because it shall comply with all applicable zoning, building and municipal codes.
3. By allowing the use, the Planning Commission finds that proposed repair shop would be consistent with the Commercial Service (CS) General Plan Land Use Category; and

NOW, THEREFORE, BE IT RESOLVED, that the Planning Commission of the City of El Paso de Robles does hereby approve Conditional Use Permit 10-001 subject to the following conditions:

1. The project shall be constructed so as to substantially conform with the following listed exhibits and conditions established by this resolution:

<u>EXHIBIT</u>	<u>DESCRIPTION</u>
A	Site Plan

2. This Conditional Use Permit (CUP) authorizes the establishment of an automotive repair business with accessory parts sales within the existing buildings located at 836-842 Paso Robles Street, in a manner described in attached exhibits and as required by the conditions contained within this resolution.
3. This project approval shall expire on February 23, 2012, unless a building permit is issued for the project, or unless a time extension request is filed with the Community Development Department prior to expiration.
4. No outdoor storage of vehicles or parts shall be allowed with the approval of this Conditional Use Permit.
5. Prior to the issuance of a business license for the auto repair business, any outdoor storage that is not in the designated storage areas shall be removed. This includes the removal of the shipping containers. (See Site Plan Exhibit A).
6. No storage of equipment or materials is allowed on the City owned property adjacent to the east.
7. Prior to the issuance of a business license for the auto repair business, the landscaping at the east end of the site shall be cleaned up and restored and new landscaping installed. Review landscape plan with Planning Staff for compliance prior to installation.
8. Any outdoor display of merchandise shall be subject to the requirements outlined within Chapter 21.21.120 of the Zoning Code.
9. The owner of the complex shall hire a professional designer to establish a master signage program for the complex including bring the signage for the existing businesses into compliance as necessary. The program should include a multi-tenant directory monuments sign along the Paso Robles Street frontage listing the businesses within the complex. All signage shall comply with Chapter 21.19 of the Zoning Code.
10. The site shall be kept in a neat manner at all times and any landscaping shall be continuously maintained in a healthy and thriving condition.
11. All existing and/or new lighting shall be shielded so as to be directed downward in such a manner as to not create off-site glare or adversely impact adjacent properties. The style, location and height of the lighting fixtures shall be submitted with the building plans and be subject to approval by the Community Development Director or his designee.

12. Any condition imposed by the Planning Commission in granting this Conditional Use Permit may be modified or eliminated, or new conditions may be added, provided that the Planning Commission shall first conduct a public hearing in the same manner as required for the granting of the original permit. No such modification shall be made unless the Commission finds that such modification is necessary to protect the public interest and/or neighboring properties, or, in the case of deletion of an existing condition, that such action is necessary to permit reasonable operation and use under the conditional use permit.
13. The daily operations of this facility shall comply with Section 21.21.040 of the Municipal Code, Performance Standards:
 - A. Fire and Explosion Hazards. All activities involving and all storage of inflammable and explosive materials shall be provided with adequate safety devices against the hazard of fire and explosion and adequate firefighting and fire-suppression equipment and devices standard in industry and as approved by the fire department. All incineration is prohibited.
 - B. Radioactivity or Electrical Disturbance. Devices which radiate radio-frequency energy shall be so operated as not to cause interference with any activity carried on beyond the boundary line of the property upon which the device is located. Further, no radiation of any kind shall be emitted which is dangerous to humans. All radio transmissions shall occur in full compliance with Federal Communications Commission (FCC) and other applicable regulations.
 - C. Noise. No land use shall increase the ambient noise level as measured at the nearest residentially zoned property line to a level that constitutes a public nuisance.
 - D. Vibration. No vibrations shall be permitted so as to cause a noticeable tremor measurable without instruments at the lot line.
 - E. Smoke. Except for fireplaces and barbecues, no emission shall be permitted at any point from any chimney which would constitute a violation of standards established by the San Luis Obispo County Air Pollution Control District (APCD).
 - F. Odors. Except for fireplaces and barbecues, no emission shall be permitted of odorous gases or other odorous matter in such quantities as to constitute a public nuisance.
 - G. Fly Ash, Dust, Fumes, Vapors, Gases and Other Forms of Air Pollution. No emission shall be permitted which can cause damage to health, animals, vegetations or other forms of property, or which can cause any excessive soiling at any point. No emissions shall be permitted in excess of the standards established by the San Luis Obispo County Air Pollution Control District (APCD).
 - H. Glare. No direct glare, whether produced by floodlight, high-temperature processes such as combustion or welding or other processes, so as to be visible from any boundary line of the property on which the same is produced shall be

permitted. Sky-reflected glare from buildings or portions thereof shall be so controlled by reasonable means as are practical to the end that said sky-reflected glare will not inconvenience or annoy persons or interfere with the use and enjoyment of property in and about the area where it occurs.

- I. Liquid or Solid Wastes. No discharge shall be permitted at any point into any public sewer, private sewage disposal system or stream, or into the ground, of any materials of such nature or temperature as can contaminate any water supply, interfere with bacterial processes in sewage treatment, or otherwise cause the emission of dangerous or offensive elements, except in accord with standards approved by the California Department of Health or such other governmental agency as shall have jurisdiction over such activities. Manufacturing, processing, treatment and other activities involving use of toxic or hazardous materials shall be designed to incorporate the best available control technologies and wherever technically feasible shall employ a "closed loop" system of containment.

- J. Transportation Systems Impacts. Vehicular, bikeway and/or pedestrian traffic, directly attributable to the proposed land use, shall not increase to a significant extent without implementation of adequate mitigation measures in a form to be approved by the city engineer. In determining significance of impacts, consideration shall be given to cumulative (projected build-out) capacity of streets and highways serving the land use. Mitigation measures required may include but not be limited to curb, gutter, sidewalk, street and/or alley, bikeway, transit related improvements and traffic signalization. Mitigation may be required as pursuant to the California Environmental Quality Act (CEQA), or as a condition of a discretionary review.

PASSED AND ADOPTED THIS 23rd day of February, 2010 by the following Roll Call Vote:

AYES: Trectch, Holstine, Garcia, Vanderlip, Gregory

NOES: Nemeth

ABSENT: Peterson

ABSTAIN: None

STEVE GREGORY, CHAIRMAN PRO-TEM

ATTEST:

RON WHISENAND, SECRETARY OF THE PLANNING COMMISSION
