FOR IMMEDIATE RELEASE

Paso Robles, CA – City of Paso Robles and San Luis Obispo County Kickoff Development of the Paso Robles Groundwater Basin Management Plan.

The City of Paso Robles and San Luis Obispo County are leading the preparation of a groundwater management plan (GMP) for the Paso Robles Groundwater Basin. The GMP will address groundwater conditions, identify local and basin-wide groundwater issues, and outline voluntary measures to protect groundwater resources. A project Kickoff Meeting open to the public will be held on:

Thursday, November 12, 2009
5:30 p.m. – 7:30 p.m.
City of Paso Robles Emergency Operations Center
900 Park Street.
