Vote: Three ayes, no dissent

These minutes are not official or a permanent part of City records until approved by the Parks and Recreation Advisory Committee at their next regular meeting.

Respectfully submitted by Lovella Walker, Administrative Assistant

Paso Robles City Council Meeting Highlights for Tuesday and Wednesday, June 4-5, 2019

Highlights from the June 4-5, 2019 City Council meeting are as follows. The Council:

Approved the Annual Levy for the Landscape and Lighting District and the Drainage Maintenance District. The Council approved the annual levy and authorized the collection of assessments for the July 2019 through June 2020 period.

Confirmed existing public nuisances relating to weed abatement, and ordered that those risks be addressed immediately. The Fire Marshal conducted the annual inspection of properties, and compiled a list of those properties still posing a significant fire risk of fire. At the meeting, the Council directed that the City contract for the abatement of weeks on all properties still not in compliance. The expectation is that this fire season will again pose significant risk for Paso Robles.

Approved the proposed membership in the Monterey Bay Community Power joint powers authority. Membership in the community choice aggregation authority has the potential to reduce electronic power generation costs and reduce the power generation portion of both residential and commercial electrical bills. Assuming the other cities in San Luis Obispo County and the County Board of Supervisors also approve membership, resident and businesses could start seeing the benefits of membership as early as January 2021. Each bill payer has the option of joining or not joining Monterey Bay Community Power.

Approved the purchase of Police portable radios and body worn cameras. The radios are replacements for existing radios that have passed their expected life. The body worn cameras will provide additional information to the City and public for interactions that lead to questions or concerns. The footage can also improve transparency and supervision, reduce complaints, and reduce the use of unnecessary force.

Updated Title 3, Revenue and Finance, and Title 5, Business Licenses, of the City's Municipal Code. The Council approved updates to reflect changes in State law and case law, clarify certain provisions, and delete provisions that are no longer necessary.

Introduced an ordinance amending the City's Zoning Code to regulate short-term rentals in all zoning districts throughout the City. After 29 public meetings over 4+ years, called by the Short-term Rental Task Force, the Planning Commission, and the Council itself, the Council held first reading of an ordinance that permits home shares in all zones, permits non-hosted short-term accommodations in all zones other than R-1, and allows existing non-hosted accommodations in the R-1 zone for only the next two years. It requires the Council to review the status of the industry in one year and two years from now, and specifies that the ordinance will expire if not modified or replaced in three years.

This is just a subset of the actions taken by the Council Tuesday and Wednesday night. To view the full agenda and supporting documentation, click here: <https://www.prcity.com/AgendaCenter/City-Council-2>

The next City Council meeting takes place on Tuesday, June 18, 2019 at 6:30 PM in the Library Conference Center at 1000 Spring Street

Paso Robles City Council Meeting Highlights

Highlights from the City Council meeting on **Tuesday, June 18, 2019** are as follows:

Reviewed and provided comments on Chapters 9-12 of the draft Groundwater Sustainability Plan. Since the State of California has declared the Paso Robles Basin to be in severe overcharge, the City and all other entities that rely on water from the basin are working together to develop a long-term plan to stabilize the basin. These four chapters are the last four, and include a set of projects that the entities can agree on to reverse the decline in the basin.

Approved the City's lease of 1345 Park Street, and a sublease with The Sandbox, to develop a business success center in the downtown. The business success center will provide co-working spaces, as well as access to resources and business development events. The entire effort is a public-private partnership, with the City pulling the necessary elements together, and the private sector providing the ongoing energy and expertise.

Updated Title 3, Revenue and Finance, and Title 5, Business Licenses, of the City's Municipal Code. The Council approved updates to reflect changes in State law and case law, clarify certain provisions, and delete provisions that are no longer necessary. The current code, for example, assumes the City should be regulating fortune tellers and cable television.

Confirmed the appointment of Sarah Johnson-Rios as Assistant City Manager. Ms. Johnson-Rios has worked in increasingly responsible positions for the cities of Chula Vista and Santa Monica California, as well as in Raleigh, North Carolina. She will bring a diverse array of local government experience in community and economic development, budget and financial administration, public works, and community relations. She received her Masters Degree in Public Administration from the Woodrow Wilson School at Princeton University. Ms. Johnson-Rios will start with the City on about August 1.

Introduced an ordinance to amend Title 14, Water and Sewers, of the City's Municipal Code, to improve the City's billing process for water and sewer bills. Under the current system, each month's bills are issued before the due date of the prior bill, which can lead to confusion.

Directed staff to develop an ordinance amending the City's Zoning Code to regulate short-term rentals in all zoning districts throughout the City, bringing the draft back for first reading on July 16, 2019. After 30 public meetings over 4+ years, called by the Short-term Rental Task Force, the Planning Commission, and the Council itself, the Council decided not to adopt the version of the ordinance for which it held first reading on June 5. The new version is based on the proposal developed by the Short-term Rental Task Force, with some of the amendments developed by the Planning Commission. It would grandfather all existing non-hosted accommodations in the R-1, and seek to reach a maximum of 75 in the next three years. It requires the Council to review the status of the industry in one year and two years from now, and specifies that the ordinance will expire if not modified or replaced in three years.

This represents just a subset of the total actions by the Council. The **full agenda** can be found at <https://www.prcity.com/AgendaCenter/ViewFile/Agenda/06182019-251> and the **audio from the meeting** can be found at <https://www.prcity.com/AgendaCenter/City-Council-2>

The minutes will be available as part of the packet for the City Council's next regular meeting on **Tuesday, July 16, 2019**. Have a great rest of the week!

GOALS

LARRY MOORE PARK CONCEPT MASTER PLAN

MISSION STATEMENT

The Paso Robles Parks and Recreation Advisory committee seeks to partner with the community and provide opportunities for people to enrich their lives and increase their enjoyment and well-being through recreation and education while striving to protect the natural resource-based park system.

1. **SUPPORT** the permanent and sustained revitalization of our City Parks, especially:

- Monitoring the sale of the Pioneer Park playing field leading to the addition of regulation playing fields at Larry Moore Park.
- Completing and update the master plan and installing new restrooms at Sherwood Park.

2. **MEET** the recreational needs of the underserved by:

- Collaborating with the Paso Robles REC Foundation and the Paso Robles Youth Sports Council.
- Continuing and supporting the collaborative partnership with the Paso Robles Joint Unified School District for the equitable use of public and school district recreation facilities.
- Supporting the efforts of the Recreation and Maintenance Divisions to update the Parks and Recreation Element of the City's General Plan.

3. **LINK** recreation to tourism in the following areas:

- Cycling.
- Tournaments.
- Trails.
- Public art and murals.
- Community events.

4. **ADVOCATE** on behalf of parks and recreation:

- Speak at City Council meetings.
- Connect with the REC Foundation.
- Visit a park or other recreation facility.
- Support and attend City-sponsored recreation activities and events.
- Participate in workshops for the creation of City master plans and specific plans.
