3. Royal Oaks Park Proposed Improvements
4. PRAC 2018-2019 Goals
5. Centennial Park –August and September 2019 Calendars

ADJOURN MEETING

Adjourn to the next regular Parks and Recreation Advisory meeting on Monday, October 14, 2019, at 4:00 p.m. at Centennial Park in the Live Oak Room, 600 Nickerson Drive, Paso Robles.

Paso Robles City Council Meeting Highlights from August 6, 2019

Highlights from the City Council meeting on **Tuesday, August 6, 2019** are as follows. The City Council:

Received a presentation regarding Riverbed Fire Risk Mitigation. At the end of this week or early next week, the Fire Department is beginning the hazardous fuels reduction project in the Salinas Riverbed, utilizing crews and masticator machinery. Masticator work will start at 13th and North River to Highway 46E and hand crews will start working from 13th Street to Larry Moore Park. Pink flagging indicating the project areas will be visible throughout the riverbed corridor. Additionally, some Riverwalk locations will be temporarily closed during the project. Please anticipate detours over the next 45 days.

Paso Cares is collecting cold food (that does not need to be heated or cooked) at the following locations: Fire Station 1 (900 Park Street), Fire Station 2 (235 Santa Fe), Golden 1 Credit Union on Niblick Road, EarthTones Gifts and Galleries on Park Street, and Manzanita Property Management on the corner of 8th and Park Street.

Received an update on the Downtown Parking Program. The program will go into effect on August 14th. Kiosks are up and signage is being installed. Paid parking will be in effect from 9am-6pm, Monday – Friday, and there is no time limit. The first two hours are free. Payment is accepted at kiosks or via an app available at www.waytopark.com. During a preliminary grace period, warnings will be issued rather than citations. Thereafter, parking citations will be \$33. All disabled parking with a placard or a plate is free.

Approved a Lease for Balloons Over Paso to operate at the Airport. After reviewing four submittals to lease a City-owned hangar located at 5070 Hangar Way, *Balloons Over Paso* was selected as the business that will be of most benefit to the airport and the development of additional airport activity. The projected annual revenue to the City is estimated to be approximately \$19,000-\$28,000 per year depending on the success of this new business.

Approved a one-year extension on a lease of the City maintenance yard. The City will continue to operate maintenance operations out of the current location at 625 Riverside for one more year, given that the alternate location at The Boys School has been delayed due to state policy changes regarding surplus property.

Approved the General Obligation Bond Tax Rate for FY 2019-20. The tax rate is being reduced from the prior year. It will be \$42.50 per \$100,000 of secured assessed valuation for Fiscal Year 2019-20, down from \$49.10 per \$100,000 of secured assessed valuation in Fiscal Year FY 2018-19.

Received and filed the Information Technology Strategic Plan and Risk Assessment. The City contracted with Moss Adams LLP to develop an IT Strategic Plan and Cybersecurity Risk Assessment to identify technology and cybersecurity needs, and to establish prioritized projects to address and resolve those needs. The resulting strategic plan creates a road map to support

the delivery of municipal services for consideration in the City's budget and resource planning efforts for the coming years.

Received and filed the City's response to the 2019 San Luis Obispo County Grand Jury report, "Affordable Housing," An Urgent Problem for Our Community. The City's response outlines several actions that Paso Robles has taken to produce affordable housing and to reduce barriers to affordable housing production. It also outlines several other policy options that will be considered as part of the Housing Element Update process that will begin later this year.

Adopted an ordinance amending the City's Zoning Code to regulate short-term rentals in all zoning districts throughout the City. After 31 public meetings over 4+ years, called by the Short-term Rental Task Force, the Planning Commission, and the Council itself, the Council held adopted an ordinance that permits home-share and vacation rentals in all residential districts, subject to a numeric limit on the number of permits that may be issued. The ordinance institutes requirements for vacation rental owners to pay transient occupancy taxes, obtain business licenses, abide by occupancy limits and parking requirements, and comply with "Good Neighbor" guidelines. It also establishes a complaint hotline to address neighborhood concerns. It requires the Council to review the status of the industry in one year and two years from now and specifies that the ordinance will expire if not modified or replaced in three years.

Approved an agreement with the Lew Edwards Group to provide community engagement planning and communications and identify community priorities and potential solutions. As community priorities and needs continue to evolve, the demands on the City, in public safety and other essential services, will continue to escalate. However, the City's locally controlled revenues are limited and can be enhanced only at a limited rate that is not meeting community needs and priorities. This effort with the Lew Edwards Group will enact a robust community dialogue and community engagement effort, develop proposals to address demonstrable needs, and work with the community on implementation steps to address those needs.

Formed an Ad Hoc Committee of the City Council on Homelessness. Mayor Martin and Councilmember Hamon were appointed to serve as an Ad Hoc Committee of the City Council to research potential policy options and resources to address homelessness in Paso Robles.

This represents just a subset of the total actions by the Council. The full agenda can be found at www.prcity.com/AgendaCenter/ViewFile/Agenda/_08062019-268 and the audio from the meeting can be found at www.prcity.com/AgendaCenter/City-Council-2. The minutes will be available as part of the packet for the City Council's next regular meeting on Tuesday, August 20, 2019.

The next City Council meeting takes place on Tuesday, August 20, 2019 at 6:30PM in the City Hall/Library Conference Center at 1000 Spring Street.

Paso Robles City Council Meeting Highlights from 08/20/2019

Highlights from the City Council meeting on **Tuesday, August 20, 2019** are as follows. The City Council:

Received a Capital Projects Update. Sewer work along Spring Street from 24th to 36th street is underway and is about 80 percent complete. Pipeline construction at 19th Street as part of the main west tank replacement project is 80 percent complete. Excavation for the new round water tank is underway. The Sherwood Park restroom replacement is now complete.

Approved Two New One-Time Events in City Park. On September 21, 2019, Museum Day will be held in City Park. The North County Historical Co-Op will promote and manage this free-to-the-public event. The California Army National Guard 40th Infantry Band will present a concert in City Park on June 28, 2020. The Paso Robles Downtown Main Street Association will promote and manage this free-to-the-public concert.

Approved a Final Map of Lot Line Adjustment for a Parcel Exchange. The parcel exchange between Zenique Hotels and the City of Paso Robles has been approved by Council. It will enable the City to acquire the Motor Lodge site and enable Zenique Hotels to acquire City-owned property on Theater Drive, so that the construction of the Hyatt Hotel can proceed. The lot line adjustment is necessary to equalize the value of the parcels being exchanged. The owners of the Hampton and La Bellasera then have an 18-month option on the Motor Lodge site, as part of a settlement of a lawsuit.

Received Updates on Selected Projects and Programs.

- Riverbed Cleanup – Fire hazard abatement is underway in the Salinas Riverbed. Masticator equipment and hand crews are clearing 150-foot firebreaks along the riverbed. The brush clearing will also open up the walkway area and improve public access along the riverbed. In addition, the fire breaks will also allow trash removal in the riverbed by approving access. This work is anticipated to take 30 days.
- Specific Plan Project Proposals – There are several approved or pending specific plans that outline the framework for future development in Paso Robles. Work is underway on Olsen-South Chandler, Beechwood, and Gateway developments and final proposals are anticipated to come before the Planning Commission and City Council this winter.
- County/City Annexation Revenue Sharing Agreement – Preliminary discussions with the County are underway to improve the revenue sharing agreement for pending (and potentially previous) annexations.

Received a Councilmember Update on SLOCOG. Councilmember Strong provided an update about the work of the San Luis Obispo County of Governments (SLOCOG). SLOCOG is responsible for transportation planning and coordination, obtaining and programming transportation funding, developing and funding strategic plans, building consensus, and connecting communities. There are several transportation planning efforts underway that would positively impact Paso Robles. More information is available at <https://www.slocog.org/>.

This represents just a subset of the total actions by the Council. The full agenda can be found at <https://www.prcity.com/AgendaCenter/ViewFile/Agenda/08202019-275> and the audio from the

meeting can be found at <https://www.prcity.com/AgendaCenter/City-Council-2>. The minutes will be available as part of the packet for the City Council's next regular meeting.

The next City Council meeting takes place on Thursday, September 5, 2019 at 6:30PM in the Library Conference Center at 1000 Spring Street. Please note that the meeting will be on Thursday rather than Tuesday to allow the community sufficient time to review the agenda after the Labor Day holiday.

Have a great rest of the week!

MISSION STATEMENT

The Paso Robles Parks and Recreation Advisory committee seeks to partner with the community and provide opportunities for people to enrich their lives and increase their enjoyment and well-being through recreation and education while striving to protect the natural resource-based park system.

1. **SUPPORT** the permanent and sustained revitalization of our City Parks, especially:

- Monitoring the sale of the Pioneer Park playing field leading to the addition of regulation playing fields at Larry Moore Park.
- Completing and update the master plan and installing new restrooms at Sherwood Park.

2. **MEET** the recreational needs of the underserved by:

- Collaborating with the Paso Robles REC Foundation and the Paso Robles Youth Sports Council.
- Continuing and supporting the collaborative partnership with the Paso Robles Joint Unified School District for the equitable use of public and school district recreation facilities.
- Supporting the efforts of the Recreation and Maintenance Divisions to update the Parks and Recreation Element of the City's General Plan.

3. **LINK** recreation to tourism in the following areas:

- Cycling.
- Tournaments.
- Trails.
- Public art and murals.
- Community events.

4. **ADVOCATE** on behalf of parks and recreation:

- Speak at City Council meetings.
- Connect with the REC Foundation.
- Visit a park or other recreation facility.
- Support and attend City-sponsored recreation activities and events.
- Participate in workshops for the creation of City master plans and specific plans.
