Requested Action: Recommendation to Planning Commission

Application: Request to amend CUP22-09 with the addition of a coffee shop in an existing church.

Location: 2706 Spring Street

Applicant: Paso Robles Community Church

Discussion: Staff presented the project which is a request to establish a coffee shop within an existing church. The coffee would be a commercial enterprise within the church. It would be open to the public Monday thru Saturday and to church patrons on Sundays. The request includes an update to an existing monument sign to identify the coffee shop, however no exterior changes are proposed to the building. The CUP amendment will need approval from the Planning Commission.

Action: The DRC approved the request to move forward to the Planning Commission with details for signage to be provided.
