Production and Mandated Conservation Target (Jun 2016-Jan 2017)

Drought Response: 2016 Update

Conservation Recap

- Met state conservation goal through May (28% target June 2015 - May 2016, 30.2% achieved)
- Positive customer response to direct outreach & enforcement notices (~560 warning actions, only 4 penalties issued) Goal was to have staff work to help customers rather than penalize
- City is on-track to meeting June '16 – Jan '17 conservation mandate and creating the summer savings that will help with winter compliance
- 3-day watering schedule effective Aug. 20th
