

# CITY OF PASO ROBLES

Drought Response: Jan. 19, 2016 Update

This Summer  
**Reduce Your Use!**

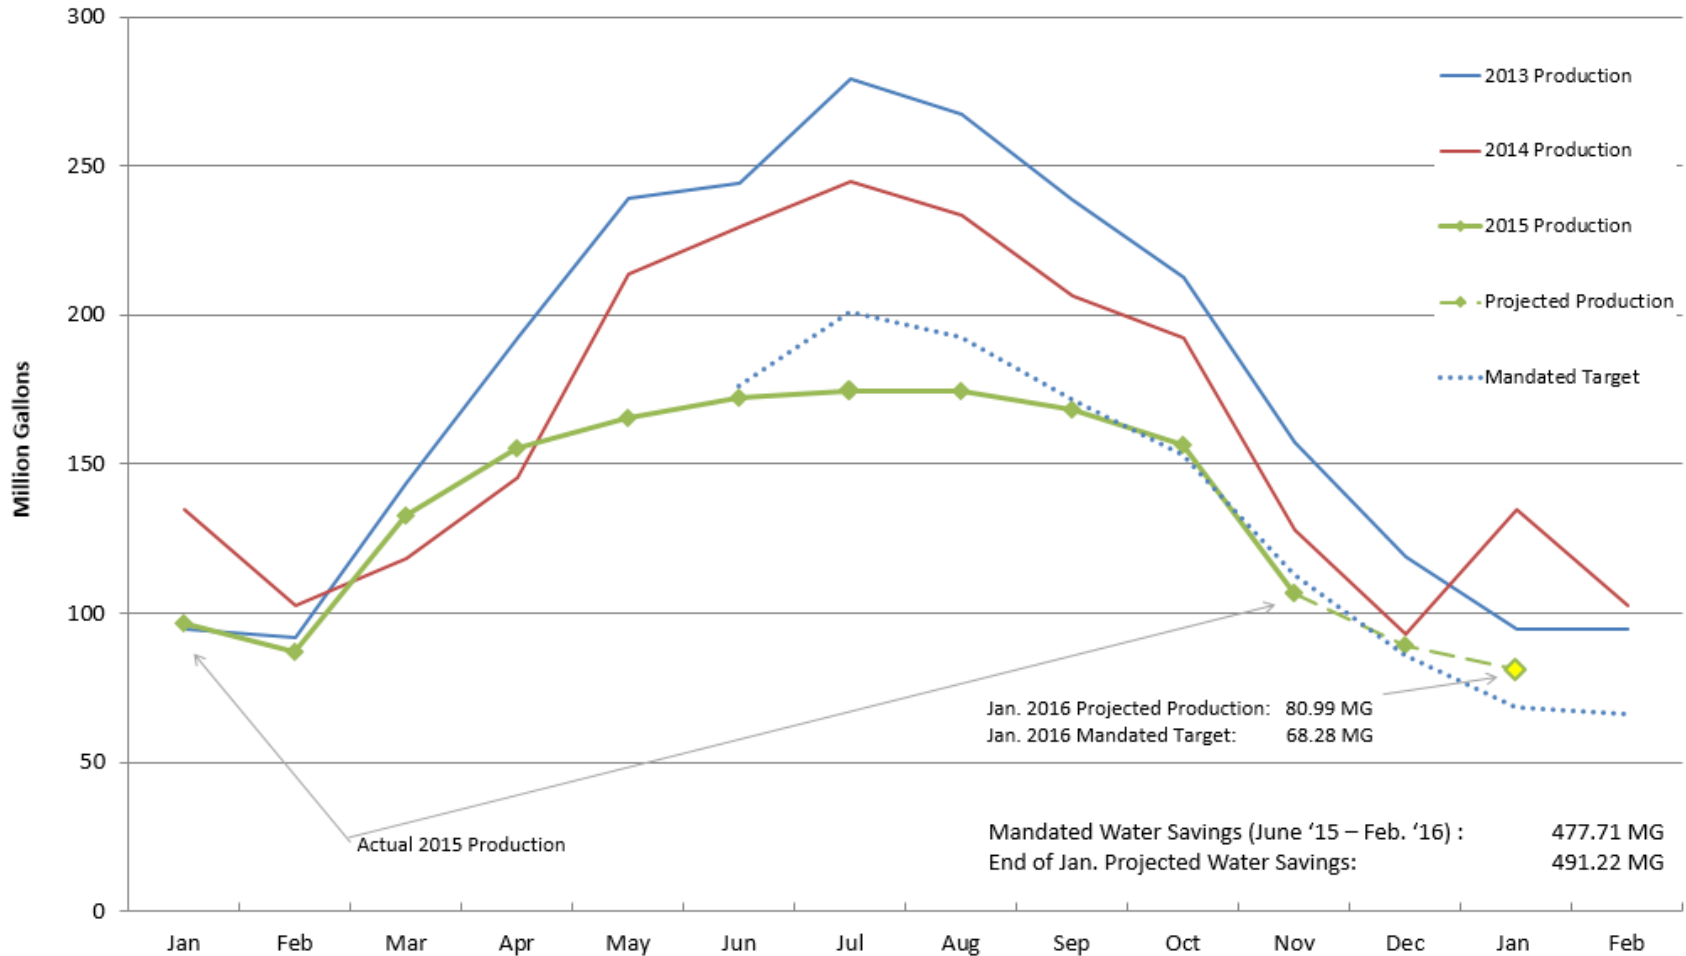

# Drought Response: 2015 Update

## Conservation and Outlook

- January water conservation is projected to fall short of State mandate for the month (18.6% from target)
- State may initiate formal enforcement for further non-compliance: information order, notice(s) of violation, & fines
- Significant opportunities to reduce water use in the community:
  - Turn off irrigation during the winter
  - Comply with watering schedule & other mandatory restrictions
  - Do not water during or within 48-hours of rain
  - Check for leaks indoors & outdoors, and fix immediately
