

# CITY OF PASO ROBLES

Drought Response: July 7, 2015 Update

This Summer  
**Reduce Your Use!**

# Drought Response: 2015 Update

## Public Notification & Outreach

- Public notification of Enhanced Restrictions completed
- Ongoing outreach includes:
  - Radio and print advertisements
  - Rebate programs (continued high enrollment)
  - Participation and contribution to public forums & workshops

# Drought Response: 2015 Update

## Enforcement

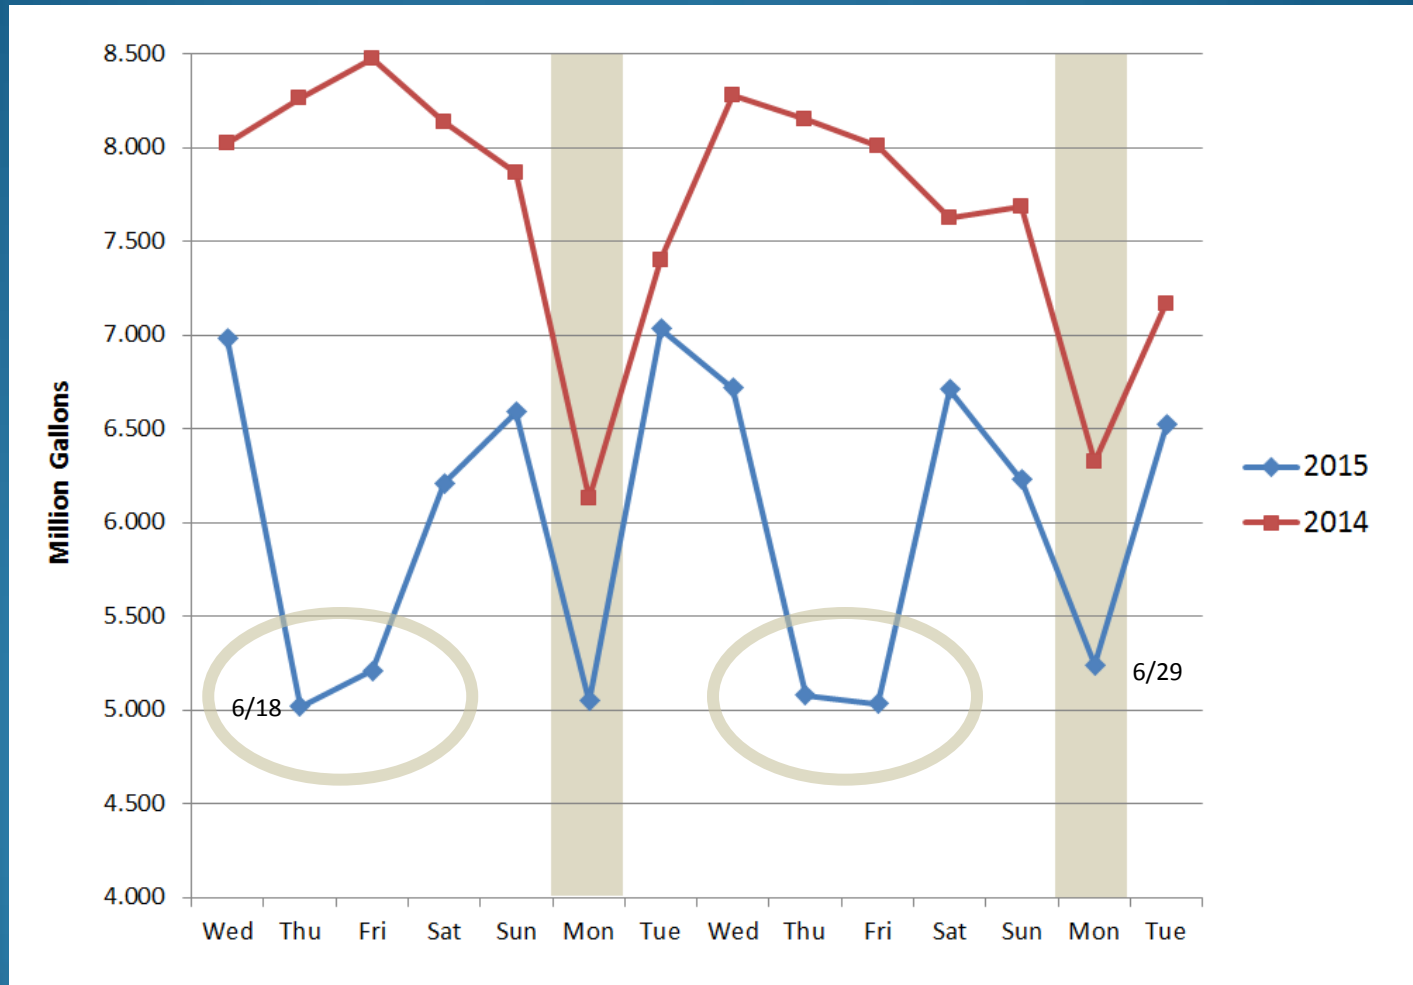

- PT staff member currently patrolling. Also performing outreach and assisting customers with high usage, timers, etc.
- Blue Tag Notices Issued (June 13 – 30th): 11
- Violation Notices Issued (June 13 – 30th): 65

## Compliance

- Water system data indicate watering on new no-watering days is being adopted by the community
- Notices of violation continue to be largely due to non-compliance with watering schedule (watering on no-water days).
