ADD20-0029	Addendum	ADD#1 There are 7 changes that we made to the approved plans to look for. They are as follows: 1) We extended the kitchen into the extra space in the garage. 2) We switched the window in the Great Room and the sliding glass door in the dining room with each other. 3) We eliminated the fireplace in the Great Room and added 2 windows to that wall. 4) Upstairs, we shuffled the floor plan around a little and moved the guest bathroom into space that was formerly just attic area. 5) We have eliminated the curves of the radius corners of the retaining walls in the back yard. 6) The retaining wall to the left side of the house (facing the house from the street) on the property line has been incorporated into the outer wall of the house on the left side. 7) We changed the pitch of the roof.	513		RED RIVER	\$0.00	09/18/2020	CONTRACTOR OWNER OWNER	R C M BUILDING SYSTEMS ROBERT C.
