QUESTIONS & ANSWERS

How will I know when my enrollment in the Direct Payment Plan has been activated?	It will take up to 15 working days after we receive your application to complete your enrollment. Continue to pay your bill as you always do until you see the "AMOUNT TO BE DEBITED" and Amount Enclosed = "TO BE DEBITED" on your bill. After you are enrolled, you will continue to receive a copy of your utility bill. <u>The total amount of your bill will be deducted from your checking account or charged to your credit/debit card on the 20th day of the month billed.</u> This will provide you enough time to ask any questions you may have about your bill before the deduction is made from your account.
How can I be sure that my Water and Sewer Bill has been paid?	The statement you receive from your financial institution will clearly identify each payment. Also, each copy of your utility bill from the City of Paso Robles will reflect the payment of your previous bill by the Direct Payment Plan. You can also view your account online at water.prcity.com
How do I cancel my enrollment?	You can request cancellation of your enrollment in the Direct Payment Plan at any time by <i>notifying the City of Paso Robles in writing.</i> It may take up to 15 working days to process the termination request.
What happens if my financial institution rejects my payment?	Your bank may reject payments as a result of insufficient funds, closed/unauthorized accounts or other reasons. If your payment is rejected, the City of Paso Robles will charge a processing fee on your next utility bill. The City of Paso Robles reserves the right to terminate your participation in the Direct Payment Plan if your payment is rejected more than once within a 12-month period.
