REPORT FROM CLOSED SESSION – City Attorney Iris Yang reported that, after many years of effort, two major lawsuits concerning the western Gateway to the City have now been settled.  This constitutes very good news, as it avoids the costs, delays, and diversion of attention that are incumbent with such litigation, and it enables major and desirable public and private improvements at the City’s western gateway to be initiated.  The City Attorney thanked the Council, as well as representatives from Quorum and Cenco, for their commitment to resolving both matters to the benefit of all parties and the progress that has been achieved.
