SCHEDULE OF EVENTS

WEDNESDAY, MAY 30TH Opening Presentation & Hands-On Workshop

6:00 PM - 8:00 PM (Virginia Peterson Elem. School Multipurpose Rm. - 2501 Beechwood Drive)

Join us for a brief presentation followed by a hands-on community workshop where you'll get to help plan a new neighborhood!

FRIDAY, JUNE 1ST Mid-Point Pin-Up & Review

6:00 PM - 8:00 PM (Charrette Studio/Holiday Inn Express - 2455 Riverside Avenue)

Stop in and participate in a presentation of the work to that point and give the design team feedback on the progress and direction during a Q&A session.

MONDAY, JUNE 4TH Closing Presentation

6:00 PM - 8:00 PM (Virginia Peterson Elem. School Multipurpose Rm. - 2501 Beechwood Drive)

Come see the closing presentation of the final charrette work products and give the team feedback on the progress and direction during a Q&A session.

DESIGN CHARRETTE

What's a CHARRETTE?

\shuh-ret\ n.

A Charrette is an intense, participatory design, and public input process where you are invited to work directly with your neighbors, local business owners, the land owner and a multidisciplinary planning, engineering and architectural consulting team to plan the future of the Olsen & Chandler Ranch properties. The entire process is open to the public, so please join us as we work together to prepare the final master plan for a new neighborhood and set a clear vision for the future of this key piece of property. This design process will be the culmination of many years of planning for this property and will move this property from visioning to implementation.
