Let's Blanket Paso Robles with Love

It's simple! Here's how:

- ♥ Use handmade hearts to decorate your house, car, sidewalks or place of work (the possibilities are endless)! Check out the Happy Heart Hunt Facebook page for inspiration.
- ♥ Your hearts can have a message of hope or inspiration, the #PasoStrong or just be a colorful design to express love and hope.
- ♥ Post photos of what you have created on Facebook or Instagram using the #PasoStrong and #HappyHeartHunt or tag us @prcityrecreation
- ♥ You can also share the love by posting images of what you see others have created that you spot around town.
- ♥ Most importantly, be creative, have fun and share the love.
