October is here with the crinkle of leaves under our feet, pumpkins on the porch and a little bit of pumpkin spice everywhere we look. This month, Paso Robles Recreation Services will be providing a combination of in-person and virtual classes for all age groups. To view all of the offerings available, visit [prcity.com/recreationonline](http://prcity.com/recreationonline).

succulent pumpkin supply kit at Centennial Park on Monday, October 26 from 6-7 p.m. \$10 registration plus \$25 supply fee. Your kit will include step-by-step instructions and a link to a video to show you exactly how to make this seasonal beauty. Pre-registration is required.

### Paint & Cocoa Party: Spooky Cat & Spider Friend:

This spooky black cat and his spider friend are the featured acrylic painting this month during the Paint & Cocoa Party class series with instructor Stormy Capalare. Learn step-by-step how to create this October themed acrylic painting on canvas outdoors at Centennial Park while sipping cocoa and listening to seasonal music. Make your own independent art project or bring your child or the entire family and share a canvas to make a family creation. This class will happen on Wednesday, October 14 from 5:30 to 7:00 p.m. Advance registration is strongly encouraged as space is limited to ensure safe physical distancing for participants. \$10 registration + \$15 supply fee (per person using their own canvas). Ages 4 to adult. Family registration discounts available.

**Let's Play!:** Youth Evolution Basketball is back with socially distanced outdoor skill-based basketball classes to help your child stay active and engaged. Classes are Tuesdays for five weeks, October 20 through November 17. Sessions from 3-3:45 p.m. (all ages 5-11), 3:45-4:30 p.m. (level 2 ages 5-7) or 4:30-5:20 p.m. (level 3 ages 7-11). \$100/Sibling discounts available. Class size is limited and advance registration is required.

**Science-Dipity in the Park:** Join science educator Tim Baker for hands-on socially distanced science enrichment that will get your kids excited about scientific principles. Choose from family classes for children ages 4-8 and their adults for 30 minutes of in-person learning Wednesdays (between 8:30 a.m. and noon) or group Science Academy classes for ages 7-11 from 2:30 to 4:30 p.m. Wednesdays, October 14-November 4 or November 18-December 16 (no class November 25). \$80/family class or \$120 for Science Academy. Early bird and sibling discounts available.

**Succulent Pumpkin Centerpiece:** This class was such a huge hit last fall, that we've decided to give it an encore this year. You supply the pumpkin of your choice and Creative Me Time will provide everything else for you to create this beautiful pumpkin centerpiece adorned with succulents. The process used to make these creations does not cut into the pumpkin so your centerpiece can last all through the season. These succulents can later be planted for ongoing enjoyment. Pick up your
