

Union Road/State Route 46 (SR-46) East Intersection Alignment Project
Community Impact Assessment Survey

The City of El Paso de Robles, in cooperation with the California Department of Transportation (Caltrans) District 5, is currently preparing a Community Impact Assessment for the proposed project. The assessment will consider effects on recreational facilities/parks, businesses, and community character, among other topics. Your feedback will assist in providing a comprehensive analysis of the project's effects on the community.

If you wish to respond, your feedback must be received by the City of Paso Robles within 30 days of receipt of this survey. Your response can be e-mailed to desperanza@prcity.com, or mailed to:

Ditas Esperanza, P.E.
Capital Projects Engineer
City of Paso Robles
1000 Spring Street
Paso Robles, CA 93446

A website has also been created for the proposed project, and can be accessed at:

Recreational Facilities/Parks

1. According to the preliminary project design, the project would require minor acquisition of property (approximately 1.1 acre from the grass field and parking lot) from Barney Schwartz Park located at 2970 Union Road, approximately 0.25-mile southeast of the project site. However, none of the existing park facilities would be impacted including the baseball diamonds, two concession stands, soccer fields, two group pavilions, lake, walking trail, etc. Upon project completion, full use of Barney Schwartz Park would be restored, and users of the park would continue to utilize the park facilities as they currently do.

a) Do you use Barney Schwartz Park?

- i. Yes
- ii. No

b) If yes, how frequently do you visit this park?

- i. Daily
- ii. Weekly
- iii. Monthly
- iv. Annually

c) Would the proposed minor acquisition from the grass field and parking lot within this park be of concern to you?

- i. Yes
- ii. No
- iii. Don't know

Businesses

2. What neighborhood businesses and private facilities (religious institutions, clubs, etc.) within the project limits do you frequent? Please list them.

3. What employers and/or small businesses that serve adjacent neighborhoods, if any, do you think could be affected by the project? Please list them.

4. What do you consider to be the major concerns relative to existing businesses and facilities if the project is implemented? How would the changes in traffic affect these businesses? Circle "increase" or "decrease" based on your opinion of how the project would impact access, visibility, and business activity for businesses located within the project limits.

a. Access to local businesses?

- i. Increase
- ii. Decrease

b. Visibility of local businesses

- i. Increase
- ii. Decrease

c. Increase in business activity

- i. Increase
- ii. Decrease

d. Other; please explain _____

Community Character

5. What do you consider to be the important aspects of the community character that need to be maintained? Please rate in order on a scale of 1 to 5, 1 being the highest priority aspect and 5 being the lowest priority aspect.

	Rank from 1 to 5
Recreational facilities in Paso Robles, i.e. parks, trails, community centers, etc.	
Areas in Paso Robles associated with the "Purple Belt Program," i.e. agriculture/viticulture operations, wineries, equestrian activities, etc.	
Urban/downtown area within Paso Robles	
Residential areas/neighborhoods	
Preservation of open space areas within Paso Robles	

If none of the above are applicable in your opinion, please identify other aspects of the community that you believe should be prioritized in consideration of the proposed project:
